Our service

Helping you to decide

We will not provide personal recommendations regarding the arrangement of insurance cover. At renewal, unless we give you a quote for cover with an alternative insurer, we will not make personal recommendations (unless you request this during the renewal process).

The capacity in which we act for you

As an insurance intermediary, we act as an agent of the insurer when arranging your insurances, when helping you make changes to your policy, when you renew your insurance and in the event of a claim.

Scope of service including our product range and the range of insurers used

We only offer products from a single insurer, which means we do not give a personal recommendation on the basis of a fair and personal analysis.

We will not in any circumstance guarantee the solvency of any insurer.

Information about the Proposed Insurance

We will endeavour to ensure that:

- We provide you with comprehensive information early enough for you to make an informed decision about the insurance being proposed.
- You are entitled to request a paper copy of your policy documentation free of charge.

Your responsibilities

If you are a consumer, you are responsible for answering any questions in relation to any proposal for insurance cover honestly and to the best of your knowledge, providing complete and accurate information which insurers will require. This also applies to your responses in relation to any assumptions you may agree to in the process of applying for insurance cover. This is particularly important before taking out a policy but also at renewal or if you make a mid-term amendment to your policy.

If you fail to disclose information, or misrepresent any fact which may influence the insurer's decision to accept the risk or the terms offered, this could invalidate the policy and mean that claims may not be paid.

If you are a commercial customer you have a duty to give a fair presentation of risk to the Insurer. This means that you should disclose every material circumstance relevant to the risk being insured following a reasonable search within your business to identify and verify such information. This should include information which you and where applicable your senior management, persons responsible for arranging your insurance or other relevant third parties know or ought to know and should include all information that would influence the judgement of the insurer or that would put the insurer on notice that it needs to make further enquiries.

Examples of material circumstances are:

- Special or unusual circumstances relating to the risk;
- Any particular concerns which led you to seek insurance cover for the risk; and
- Anything which those concerned with the class of insurance and field of activity in question would generally understand as being something that would be dealt with in a fair presentation of risks for this type of insurance.

The information must be presented in a way which would be reasonably clear and accessible to a prudent insurer. If you are unsure whether to disclose any information you should speak to us. You need to take into account the size & complexity of your business, and allow yourself sufficient time before your renewal date to consider and / or assess your insurance requirements.

Failure to provide a 'fair representation' may result in a number of remedies by the insurer. If the breach was deliberate or reckless the insurer can void the contract and keep the premium. If the breach was not deliberate or reckless the insurer can void the contract, proportionately reduce a claim settlement or amend the insurance policy terms and conditions then review the merits of a claim on this basis.

You should therefore always provide complete and accurate information to us when we ask you about the insurance risks your business faces before taking out a policy, at renewal and throughout the life of the policy. This also applies to your responses in relation to any assumptions you may agree to in the process of applying for insurance cover.

You must check all details on any proposal form or Statement of Facts and pay particular attention to any declaration you may be asked to sign. It is important that you read all insurance documents issued to you and ensure that you are aware of the cover, limits and other terms that apply. Particular attention must be paid to any warranties and conditions as failure to comply with them could invalidate your policy or mean that claims may not be paid.

You must inform us immediately of any changes in circumstances which may affect the services provided by us or the cover provided by your policy.

If you are unsure about any matter, please contact us for guidance.

Complaints and compensation

We aim to provide you with a high level of customer service at all times but, if you are not satisfied, please contact Adelphi Insurance Brokers Ltd:

- in writing Write to Mashroom Complaints, 21 Navigation Business Village, Navigation Way, Ashton-on-Ribble, Preston, PR2 2YP
- by phone Telephone +44 (0) 1133 207 599
- by email support@mashroom.com

When dealing with your complaint, we will follow our complaint handling procedures; a summary of these procedures is available on request. If you are still not satisfied, you may be entitled to refer the matter to the Financial Ombudsman Service (FOS). For further information you can visit FOS website www.financial-ombudsman.org.uk.

Access to the FOS is available for complainants coming within one of the following categories at the time we receive their complaint:

- Consumers (private individuals acting for purposes which are wholly or mainly outside that individual's trade, business, craft, or profession)
- Micro Enterprises, which employ fewer than 10 people and have annual turnover or a balance sheet that does not exceed €2 million
- Businesses with an annual turnover of less than €6.5m and with a balance sheet of less than £5m, or less than 50 employees.
- Charities with an annual income of less than €6.5m and trusts with a net asset value of less than £5m.

We are covered by the Financial Services Compensation Scheme (FSCS) for our insurance mediation activities. You may be entitled to compensation from the scheme if we cannot meet our obligations. This depends on the type of business and the circumstances of the claim. If you are eligible to claim from the FSCS, compensation is available in relation to insurance advising and arranging as follows:

- 90% of the claim, without any upper limit;
- 100% of the claim, without any upper limit for
 - compulsory classes of insurance (such as Third Party Motor or Employers Liability); and
 - 'pure protection' contracts, professional indemnity insurance, and general insurance claims arising from the death or incapacity of the policyholder owing to injury, sickness or infirmity, all where the insurance intermediary has failed to pay money to an insurer, pay away money it has received from an insurer, or has failed to take steps to allow the insurer to effect the contract of insurance.

Further information about compensation scheme arrangements is available from the FSCS on 0800 678 1100 (freephone) or 020 7741 4100 or www.fscs.org.uk.

Payment for our services

We normally receive commission from insurers, product providers and where applicable finance providers. Any commission we receive will be paid by the insurer or product provider from the insurance premium. Any commission we receive from the premium finance provider will be paid from the finance repayment.

In addition to any commission or brokerage earned, we reserve the right to charge an additional administration fee for the placement and handling of your policies. You will receive a quotation which will

mashroom

tell you the total price to be paid, and which identifies any fees, taxes and charges separately from the premium, before your insurance arrangements are concluded.

We do not charge any additional fees (payable by you) for handling your insurance or arranging premium finance unless we have agreed these with you in advance. Any fees we do charge are set out below:

- New Business & Renewals – between £0 and £50
- Mid-Term Amendments - between £0 and £50
- Cancellations - £50

Full payment of premium and fees is due before cover commences, or as otherwise stated under terms of credit, or in the debit note, invoice or statement issued to you. Failure to pay the premium due will mean that your insurance policy might not commence or that it will be cancelled. We therefore ask that you pay the premium upon receipt of your invoice to enable us to settle with insurers promptly.

In good time before the conclusion of each insurance contract, or upon renewal, we will remind you of your right to be informed of the level of commission which we receive from underwriters and premium finance providers. You are entitled, at any time, to request information regarding any commission which we may have received as a result of placing your insurance business.

We also draw your attention to the sections headed 'Cancellation of insurances' and 'Ending your relationship with us'.

Handling money

Our financial arrangements with most insurance companies are on a 'Risk Transfer' basis. This means that we act as agents of the Insurer in collecting premiums and handling refunds due to clients. In these circumstances such monies are deemed to be held by the Insurer with which your insurance is arranged. However, if Risk Transfer does not apply, such monies will be held by us in a Statutory Trust account set up in accordance with FCA rules. Interest earned on monies held in such a Statutory Trust account will be retained by us. For the purpose of some transactions, client money may pass through other authorised intermediaries before being paid to the Insurer.

Cancellation of insurances

You should make any request for the cancellation of a policy to the contact details included within this Terms of Business, either by letter or email. Where requested, any relevant certificate of insurance must be returned to us or to the insurer concerned.

In the event of cancellation, charges for our services will apply in accordance with the 'Payment for our services' section above.

The terms of your policy may allow insurers to retain the premium in full or to charge short-period premiums in the event of cancellation before the policy expires.

Ending your relationship with us

Subject to your immediate settlement of any outstanding premiums and fees, you may instruct us to stop acting for you and we will not impose a penalty.

Your instructions must be given in writing (letter or email) and will take effect from the date of receipt.

In circumstances where we feel we cannot continue providing services to you, we will give you a minimum of 7 days' notice. Valid reasons may include but are not limited to non-payment of premium or fees, commission clawback by insurers where instructions are given to another party to handle the customer's insurance(s), failure to provide requested documentation or information, deliberate failure to comply with

mashroom

terms set out within the Terms of Business Agreement or insurer's documentation, deliberate misrepresentation or non-disclosure or attempted fraud, use of threatening or abusive behaviour or language, or intimidation or bullying of our staff or suppliers.

Unless otherwise agreed in writing, if our relationship ends, any transactions previously initiated will be completed according to these Terms of Business. You will be liable to pay for any transactions concluded prior to the end of our relationship and we will be entitled to retain commission received for conducting these transactions, together with all fees charged by us for services provided.

The processing of your personal data

In your dealings with us you may provide us with information that may include data that is known as personal data. Where we process personal data we comply with statutory data processing requirements as set out by the Data Protection Act 2018. The personal data we will collect will include information relating to your name, address, date of birth, contact details and may include health and criminal offences.

We will process your personal data to allow us to provide you with our services as your insurance broker in quoting for, arranging and administering your insurances and in arranging insurance premium finance (where applicable). Your personal data will also be used to manage future communications between ourselves. Where you have agreed, or in circumstances where to do so will be in our mutual interests, your personal data will be used to provide you with further information about our wider products and services. You can opt out from receiving such communications by e-mailing sw@cyber-quote.co.uk.

In processing personal data for insurance purposes about health or criminal offences, we will only do so to enable us to provide our service to you and on the basis of it being in the public interest.

We will only use your data for the purpose for which it was collected. We will only grant access to or share your data within our firm, with other authorised third parties and product and service providers such as insurers and premium finance providers, where we are entitled to do so by law under lawful data processing.

The Data Protection Act 2018 provides you with Access Rights that allow you to gain an understanding on the data being processed, who we share it with, for what purpose, why we need to retain it and retention periods, to object to the processing and to place restrictions on the processing, to request copies of your data and to request the deletion of your data.

If you require further information on how we process your data or you wish to exercise your rights, please contact our data privacy representative by emailing sw@cyber-quote.co.uk or by writing to the Data Privacy Representative at the above address or by telephoning +44 (0) 7881531557. How we process your personal data is detailed further within our Privacy Notice, available upon request.

Credit checks

We, and other firms involved in arranging your insurance (insurers, other intermediaries or premium finance companies), may use public and personal data from a variety of sources including credit reference agencies and other organisations. The information is used to help tailor a price, to ascertain the most appropriate payment options for you and to help prevent fraud. Any credit reference search will appear on your credit report whether or not your application proceeds. If you have any questions about this or any other matter, please do not hesitate to contact us.

Conflict of interests

mashroom

Occasions can arise where we, clients or product providers, may have a potential conflict of interest with business being transacted for you. If this happens, and we become aware that a potential conflict exists, we will write to you and obtain your consent before we carry out your instructions and we will detail the steps we will take to ensure fair treatment.

Claims handling arrangements

You should take note of the required procedures in the event of a claim, which will be explained in the policy documentation. Generally, insurers require immediate notification of a claim or circumstances which might lead to a claim. We will employ due care and skill if we act on your behalf in respect of a claim.

Market Security

We use both UK and Overseas insurers to obtain the best terms and conditions available for our clients. However, the level of regulation differ in each jurisdiction and if non-EU or non-UK insurers participate in insurance contracts, your future ability as an insured to issue legal proceedings and/ or execute judgement may also vary. In selecting security, a wide variety of factors are taken into account including the financial statements of the insurer in question. Even so, we cannot guarantee the future ability of any Insurer to meet policyholder obligations and therefore the final decision on the suitability of any insurer rests with you. If you have any concerns about the security offered, please contact us immediately.
